

ISC Parent Orientation

CLASS XI

A session for the parents of the ISC registered students of class XI was conducted on 8/7/16 in Delhi Public School, Bopal. The session was conducted by Ms.Pervin Doctor who thoroughly briefed the parents about all the procedures required for graduation courses in the United States. She gave brief accounts of eligibility tests (like SATs and TOEFL), Visa applications, American Universities and semester system as well as about the financial requirements. She also emphasized on the fact that parents should not pressurize their children into making career choices and also that the students should do their own research. Ms.Monita Das, In-charge, Sr. Secondary, was also present at the session. All the parents appreciated the initiative taken by the school.
