

PARENT ORIENTATION

Class IX – X ISC Parents

OBJECTIVE - Educate and inform the parents of the ISC about the nitty-gritty of overseas education, basic application procedures, the world ranking lists as well as specific universities of the U.S.A. It is our initiative to assist in informed decision-making for overseas education.

REPORT: The ISC took a leap forward, sharing authentic and crystallized information about overseas education to the parents registered with the ISC. The objective to empower them with robust information about the nitty-gritty of studying abroad was successfully achieved- the feedback suggests high satisfaction post the workshop. Parents were assisted in understanding the key concepts through a presentation, a 25 pages handout detailing all the information discussed with important web-links and a desk of brochures collected over 3 months since its inception on July 31, 2015. The agenda of the workshop included:

1. Reasons why students wish to study abroad
2. World ranking lists of universities (global)
3. Important application procedures such as filling the application forms, Letter of recommendation, statement of purpose, essays, etc
4. Details of entrance exams SAT, ACT, TOEFL, IELTS, GRE, GMAT
5. Education in USA specifically - top ranking universities, specialise wise rankings, acceptance rates
6. Universities that visited the school this year and their specialisations
7. Upcoming events in the city and important web-links
