

## Study in Canada

Canadian University Fair was organised on 18th October 2016 at Delhi Public School for classes 10 to 12 under the aegis of ISC. The session was regarding future education based in Canada. The students were briefed about the basic admission procedures in Canada as well as their welcoming environment. Canada is home to a large number of top brands and firms. It is also named, the world's most welcoming country offering best quality of life. Canadian Universities provide a job plus education opportunity so as to further improve one's experience. Moreover, they are hugely affordable and even offer many scholarships. After the introductory session, students clarified their doubts and questions to the university representatives. The session acted as an amazing source of information and communication for students considering Canada for their future education.

The Universities that participated in the fair were as follows:

- 1. Fanshawe College** : One of Ontario's largest colleges, Fanshawe serves close to half a million people with more than 200 degree, diploma, certificate and apprenticeship programs. Fanshawe also plays an important role in providing re-skilling and skill upgrading opportunities for mature learners.
- 2. Simon Fraser University** : SFU is Canada's most community-engaged research university. With 30,000 students and a wide variety of programmes to offer, SFU has matured into one of the world's leading teaching and research universities. It is consistently ranked among Canada's top comprehensive universities.
- 3. Laurentian University** : At Laurentian, the added flexibility of customizing your degree to include concentrations, minors, majors and specializations allows students to differentiate themselves in the workforce. It is one of the TOP 10 in overall rankings – primarily undergraduate.

- 4. Memorial University :** Established as a memorial to the Newfoundlanders who lost their lives on active service during the First and Second World Wars, Memorial is a multi-campus, multi-disciplinary, public, teaching/research university committed to excellence in everything. From local endeavours to research projects of national concern, Memorial's impact is felt far and wide.
- 5. Mount Royal University :** Today, some 12,000 credit students take a variety of programs and courses including bachelor's degrees, diplomas and certificates. The courses offered have changed over time, but Mount Royal's focus remains the same - providing quality teaching and small class sizes.
- 6. Ryerson University :** Ryerson is Canada's leader in innovative, career-focused education and a university clearly on the move. It is a distinctly urban university with a focus on innovation and entrepreneurship. It offers more than 100 undergraduate and graduate programs.
- 7. Thompson Rivers University :** TRU offers a flexible study opportunity —on-campus and online, in and out of the classroom, across programs, even around the globe—leading to careers in trades, healthcare, hospitality or technology, Entrepreneurship, law, science, social work or the arts. It follows hands-on learning and research in our supportive, inclusive environment.
- 8. University of Alberta :** U Alberta is a Top 5 Canadian university and one of the Top 100 in the world, home to more than 500 graduate programs, 200 undergraduate programs and 450 active student groups.
- 9. The university of British Columbia :** The University of British Columbia is a global centre for research and teaching, consistently ranked among the 40 best universities in the world. Programmes cover a huge variety from all three streams.
- 10. University of Ottawa :** With more than 450 programs, it provides 97% employment rate for graduates. It is also the largest law school in Canada. The University of Ottawa is a proud member of the U15 Group of Canadian Research Universities, a group representing Canada's top research-intensive universities.
