In light of the rampant child abuse in various forms meted out across the country, Delhi Public School (Bopal, Ahmedabad) has taken several initiatives in the form of workshops in order to reach out to parents and students equip them with the requisite knowledge and skills to brave these challenging times.

This initiative by DPS Bopal also enveloped a special workshop for the parents DPS, Bopal on "Protect your Child from Abuse". Presentation and demonstrations were utilized during the workshop. Observing the need for empowering the parents with the protecting strategies for their children, the session addressed concerns pertinent to informing them of the alarming rates of child abuse in India, the forms of child abuse, signs and symptoms of identifying the probability of an abuse, understanding and teaching their children the difference between good and bad touch, steps to be taken if an abuse is confirmed, steps to be taken to PREVENT an abuse, few strategies of healthy parenting within their settings.

Total 52 Parents attended the Workshop and they were thoroughly participative and responsive throughout. A receptive turnout not just by mothers, but even fathers was observed. Their queries were responded to and their feedback taken.
