

DPS Bopal celebrated 'Hindi Diwas' in the school campus with great fervour. Students presented a variety of programmes to show their respect towards the National Language.

THE TIMES OF INDIA (NIE) 15 September 2015

Hindi Diwas at DPS

Hindi Diwas is celebrated on 14th September because on this day in 1949, the constituent Assembly of India had adopted Hindi, written in DEVNAGARI script, as the official language of Republic of India. It serves to promote and propagate the Hindi Language.

Keeping this in mind DPS Bopal put up a great assembly on September 6 in enthusiastic and zealous way to show the children the real meaning of Hindi in our lives. It all started with a thought that gave a head start to a day. The thought was about how Truth can never hide. Then there was a 'BHASHA GEET' which was a Hindi group song. It included all the wonderful facts about our National Lan-

guage. It was followed by 'Kavi Lekhak Parichay'. It gave the despites an introduction of famous writers and poets of Hindi who bought laurels to our country. The students enacted the great four personalities- Hariवंश Rai Bachan, Amir Khusro, Rahim and Ramdhari Dinkar. They even recited one of their poems. Next came a wonderful skit performed by the students on Satyawadi raja Harishchandra. Through this skit, students got to know, what a Legendary Indian King he was, how he scarified his kingdom, sold his family and agreed to be a slave-all to fulfil a promise he had made to the sage vishwamitra. And the skit ended up with the Brahman explaining to him that vish-

wamitra was only testing the king, and had actually helped him ascend to the heaven. Thus the skit ended with thunderous applause. The children beautifully presented this programme through their ideas and innovations.

All this was an effort to promote Hindi as a medium that unites a nation. Hindi is our national language and a nation is dumb without a National Language. Every person on this earth should be proud while speaking HINDI. That's what Hindi diwas do. HINDI is the soul of Indian culture. This assembly was the simplest source of expression to show acknowledgement, appreciation towards Hindi.
