

- DPS Bopal conducted a special assembly to celebrate International Day of Elderly on 24th October 2016.
- PRERNA organized "PRERNA SPLASH 16". The students showcased decorative items attractive Diyas, Rangolis, Torans and greeting cards.

Special assembly at DPS

The family of DPS Bopal took the initiative to celebrate International Day of Elderly. The budding singers of our school managed to give a kick start to the event and thus reaching each and every heart. To intensify the feel of the song two students of class XI shared their perspective on the needs and problems of people in their old age. Through the medium of impactful words they made us all understand that 'those who lifted us up when we weren't tall enough to reach the top, expect us to do the same when they aren't fit enough to stand up. Just one act of kindness from you can melt their heart.' The responsibility of making this assembly a special one was taken up by the teachers and the students of the humanities section.

So with the hopes of portraying the message of valuing our elders the humanities students of class XI and XII presented a Dance-Drama. The Dance-Drama portrayed the bitter reality of fast moving world; it depicted how children have started abandoning their parents as they have started seeing their parents as burden on them. Our senior generation provides our society, a link to our national heritage and tradition even when we often choose not to acknowledge their teachings. Thus to give us a wider vision Principal Surender P Sachdeva stated, "If we imbibe good habits and values within us we will always end up being a good human being who helps the society to stay prospered and the elders to stay happy."

A splash of creativity....

With festivity in the air, Calorx Prerna organized an exhibition and Sale "PRERNA SPLASH '16" recently to promote the aesthetics and creativity of their students by giving them a platform to showcase their talent.

"PRERNA SPLASH'16" was a culmination of the efforts of the students who have showcased their creativity and innovation in exhibiting their drawings and paintings and making a variety of diyas, Rangolis, Torans and greeting cards. This exhibition provided impetus to their talent and learning endeavour. It was inaugurated by Pralay Nandi, Field Operations Manager; Weatherford Oil Tools Ltd. He praised the efforts of the students for their creative & artistic presentations. Besides providing a boost to their creativity and presentation skills, "Prerna Splash" created an opportunity of sharpening the organizational and financial skills of the students.
