

REPORT ON GREEN SCHOOL ASSEMBLY

“ I don’t want to protect the environment, I want to create a World where the environment does’nt need protection”. Or

The students of Delhi Public School conducted the assembly on the 21/6/16. The theme of the assembly was “GREEN AND GLOBAL PRACTICES” which sent a message to the students to go Green in order to keep the environment eco-friendly.

The assembly commenced with a shloka enchanted by the students signifying the importance of trees from mythological reference. It was followed by a prayer and a melodious song on saving the ozone layer and caring for our mother nature. A thought was presented by Perna students which emphasized on doing a green act a day and to make it a habit in order to lead an eco friendly lifestyle. It was followed by news updating about the endangered species and environmental facts. An article was presented by a student on the hazards of plastic and pollution and its impact on aquatic flora and fauna. A ‘Nukkad Natak’ was put up by the Green Crusaders emphasising the need to take care of the environmental issues like Swachh Bharat Abhiyan, Save Water and Electricity, Grow more trees , Paper-Recycle and putting into practices the 3R’s – Reduce, Recycle and Reuse through sustainable practices. The gathering was enthralled by the mesmerizing performance of the student which forced them to think over their own actions. Our Principal administered the Green school pledge to the students who pledged to become an environmentally responsible member of the society, in order create a positive impact on the planet.

“Do your little bit of good wherever you are, it is those little bits of good put together that overwhelms the world”.
