

DELHI PUBLIC SCHOOL, BOPAL, AHMEDABAD PLANTATION DRIVE 2016

16th July, 2016.

“Man shapes himself through decisions that shape his environment.”

- Rene Dubos

Today was an eventful day for DPS-Bopal as we have lived the vision of Green Practices by organising the Plantation Drive. *We abuse the land because we regard it as a commodity belonging to us. When we see land as a community to which we belong, we may begin to use it with love and respect.*

The plantation drive was organised under the leadership of the Green Committee which has been taking up such endeavours towards environmental protection. The event was graced by Smt. Jigisha Shah, Vice President of Bopal-Ghuma Nagarpalika. Ms. Jigisha is currently the President of Lions Club International, Bopal and Chair-person for Riddhima Foundation; she was accompanied by Mr. R. C. Patel, President BJP, Ahmedabad, and Mr. Kaushik Upadhyay, who is the Forest Officer. The drive started with a brief assembly followed by plantation of saplings of Gulmohar and Garmara in the school campus. Around 50 trees were planted by students (Green Warriors) and staff along with the guests of honour. This plantation ended with a promise to fulfill our responsibilities towards Mother Nature as a global citizen so as to protect the living planet from deterioration & by handing over a clean & green planet to our future generations. Maybe our single efforts may seem small but if all of us unite together towards nature conservation then one day our efforts will be a drastic step to protect our Earth from further destruction.
