★ABOUT US★

DPS Bopal takes one more step in growing and coming closer to young learners. DPS Bopal Pre school located amidst greenery is a modern and child friendly school which provides a positive and supportive curriculum to stimulate the young minds and nurture healthy emotional beings. The amazing blend of academics, technologies and infrastructure not only delight but energize a child to learn while playing.

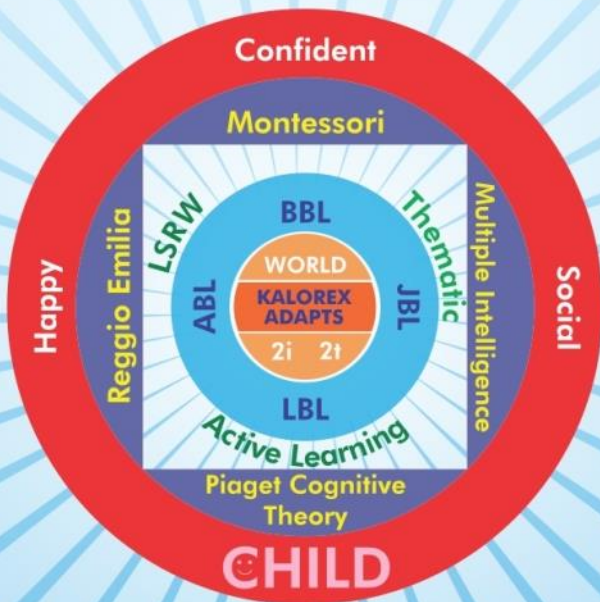

DPS Bopal is promoted by Calorx Education Research Foundation. Kalorex is a progressive and professional group engaged in K-21 education with numerous institutions in its fold, with over 300 teachers selected through a rigorous three step process passionately creating Indian assets and Global citizens.

Our safe and secure environment creates joy for learning. We provide varied learning opportunities which cater to child's multiple intelligence and help to develop multiplicity of perspectives and skills.

★OBJECTIVES★

- » To ensure that the first step from home to school is a very happy experience for each child.
- » To provide a learning environment that brings out the best in each child.
- » To promote holistic development through play and structured activities, preparing them for a smooth transition from pre-school to formal schooling.
- » To orient children to develop self-confidence, discipline, self esteem, team work and leadership.
- » To offer opportunities for aesthetic appreciation and creative expression through a wide range of experiences.
- » To develop gross and fine motor skills.

★ OUR APPROACH ★

We use multi sensory, thematic, play way approach which awakens and illuminates a child's intellect in multi dimensional ways. We identify child's preferred learning style- Audio, Visual and Kinesthetic and design activities in a way that all learners can have optimal learning and also balance all three learning styles.
