

## Gurbani Kirtan

The morning of 9<sup>th</sup> October 2017 witnessed the divine melodies of Gurbani Kirtan, which means 'a guru's teachings', by Dr. Alankar Singh.

He is the sole recipient of the Sangeet Natak Academy's Ustad Bismillah Khan Yuva Puraskar. He has performed in various countries, earning him a reputation of gripping the audience in a spiritual trance.

The event was held at Abhivyakti, with an audience of over 400 students. He began by elucidating on the concept of Gurbani music, commencing from the beginning, about the advent of Sikhism.

His harmonious voice communicated a more surreal message.

The programme was organised by SPIC MACAY, which the Society for Promotion of Indian Classical Music and Culture. It focuses on cultural awareness among the youth and is a voluntary, non-political organisation actively working in this sphere.

The programme was a success and the students took back a lot of learning.
