

U.S. Higher Education Glossary

The International Student Cell, Delhi Public School organized U.S. University Fair on 5 October 2016.

The session began with a presentation highlighting the US Higher education application process. The experts briefed the students about everything from finances to US degrees. Search option to student Visas was also discussed. Speakers of the day offered information, orientation and guidance for higher education institutions in the United States and provided valuable material and solved many doubts.

Delegates from about 10 Universities, with varied majors put up their tables in the fair. Each delegate provided an insight to their university, subsequent to which, students were allowed to ask their questions and doubts, personally to the delegate from the University of their Interest. US University Fair provided a great opportunity to students to understand more about America and its system of education.

The session provided accurate, comprehensive, and current information on the full range of higher education opportunities at accredited U.S. higher education institutions as follows:

- ❖ Full Sail University
- ❖ Mercer University
- ❖ University of Southern California
- ❖ State University of New York at New Paltz
- ❖ Broward College
- ❖ Milwaukee School of Engineering (MSOE)
- ❖ Marist College
