

Topic: Etiquettes and manners

Date: 14 Sept 2016

Time: 9:00am to 10:30 am

Venue: 12F

Facilitator: Ms. Suman Trivedi

The session was started by Ms. Monita by giving a very brief note on the present need of teenagers and the difficulties faced by some teachers in dealing with them. But this difficulty can be minimized with each others' co-operation.

Later the session was continued by Ms. Suman by sharing the need of Etiquettes apart from academic in real life. But exposure to etiquettes is always received as a forced form to teenagers. That is the reason they behave in a very rebellious manners with authorities. Biological reasons were shared as why teenagers are the most vulnerable age group. Some techniques were even shared to deal with them effectively. And the workshop was enriched with some videos a well. Session was ended by few instructions by Ms. Monita to deal with students and the way all the teachers should have a transparent communication among themselves. And some informal dealing with children to understand them non academically.
