# Mastermindz

March - June 2016

# From the Principal's Pen

The world is an exciting place for a young child and an adolescent. In the hustle and bustle of the ever changing face of the world, school acts as a radar for what is acceptable and what is not. The routine of school life, learning and camaraderie, all contribute to a feeling of well being and serenity which are so important to growing up. After the summer break, it is this routine that students look forward to. This is the time to set new goals and revisit old ones. Academic achievements of students of class 10 and 12 motivate younger students to aim higher and work harder than ever before. The students who have excelled in the board and entrance exams, instill a feeling of great pride in all the younger students and are celebrated in these academic environs. The scent of freshness fills the school, giving with each Dipsite another chance at a new beginning.

## Parents humbled as their wards stand tall . . .

### Mahek Rupani's, parents-

"As parents, DPS meant – "Dedicated, Pedagogical, Support" resulting in "Dynamic, Progressive & Smart" individuals.

School provided constant support and encouragement to our ward that played an important role in her success."

### G. Anjanalakshmi's, parents-

"We are very grateful to DPS Bopal for having provided a remarkable learning platform for our daughter Anjanalakshmi. She has received excellent guidance from her teachers and is indebted to them. Anjana will carry the inputs from the school wherever she goes and endeavor to follow the School's motto, 'Service Before Self'."

### Parthsarathi Khirwadkar's Parents-

"Parthsarathi has opted to join IIT Mumbai in the electrical dual degree course. School has provided a competitive environment. An excellent teaching staff has helped him to develop holistic skills for self-study as well as development.

*The highest score in a subject, amongst so many students, is itself a singular feat. And when that score is a perfect 100, exhilaration and pride fills the hearts of students and their parents.*

# Green School Drive

## Escape into the world of colours

Holi, one of the most boisterous festivals of India, was celebrated with fun and laughter. The school, following the green and global practices, had arranged for safe organic herbal Holi colours. The bright colours carried the message of love, brotherhood, life and energy.

## Green Olympiad

To instill the value of responsibility and citizenship towards the Mother Earth, an Environment Education & Awareness Exam was organised by TERI - The Energy & Resource Institute - Delhi, at DPS-Bopal for grade 4 & 5 on 10 Dec 2015. 12 out of the 40 enthusiastic participants received Distinction and Merit Certificates in March 2016.

## Pasti ki Masti

Encouraging the children to implement 'Reduce, Reuse and Recycle' in their daily lives, DPS-Bopal took up the campaign *Pasti ki Masti*. The green warriors put up posters and paper collection bins across the school to emphasize on the necessity to save paper and use recycled papers. 500 kg of paper was collected and sent for recycling.

## Earth Hour

Replicating the earth hour, students along with their families and friends, observed the earth hour on 28 March from 8.30 to 9.30 p.m., by switching off all lights and contributing to preserving the earth's resources.

# Raising The Bar

*'If the path is beautiful, ask not where it leads to. But if the destination is beautiful, never mind the path, keep walking....'*

The summer break serves to rejuvenate students as well as educators. In tune with the path to keep abreast with new developments enrichment programmes were conducted in diverse areas across the campus in June.

Discussion of language learning techniques included innovative ideas for vocabulary learning, writing stories, article writing and the art of storytelling as part of a workshop spread over two days. A workshop was conducted on Grooming & Professional Etiquettes for teachers, by Ms. Ekta Peshwani to make the work environment on campus conducive, promoting cordial work relations. Col. Atul Bhandari spoke of stressors and how to deal with them in the day to day life of educators. A session was conducted by the councellers to discuss transactional analysis with the teachers.

The use of the unconscious mind to achieve our goals and what goes into creating our personalities was brought to the fore by Dr. Raja Ganesan in an interactive session. Flipped classrooms, computer training in MS- WORD and better use of Smart boards were also discussed in separate workshops. Relaxation techniques and unwinding were part of the morning sessions of yoga and aerobics. Unleashing their creativity, teachers involved themselves in canvas painting and enjoyed it thoroughly.

## Welcome to the reinvigorating journey!!

The dawn of 2 March 2016 saw the students of Class 12 assembling in Abhivyakti. The screening of an inspirational video on how to be a good human being was organized for the students. Principal, Mr. Surendra P. Sachdeva gave the keynote address to the audience on self-motivation and upholding the decorum of the school.

A special assembly to welcome the students of Classes 6-10 in the new session (2016-17) was organized on 28 March 2016. Principal, DPS-Bopal, congratulated everyone for the splendid result and encouraged them to begin the new session with zeal and enthusiasm.

The book 'Ilustracao-Ode to School Life', marking the 20 glorious years of DPS-Bopal, was launched by the Principal, Sr. Vice Principal, Vice Principal and Sr. Sec. Incharge of the school.

## Safety Week

DPS-Bopal observed Safety Week from 4 to 8 April 2016. All aspects of safety were talked about by the mentors, ranging from safety during school bus commuting, cyber safety and safe handling of gadgets. A Government of India, Ministry of Road Transport publication called "Road Safety, our Responsibility" was used to sensitize the young citizens on the safety norms. The young learners presented posters, slogans and essays to highlight their thoughts and learning. Students performed *nukkad natak* to sensitize the youth towards juvenile driving and road safety.

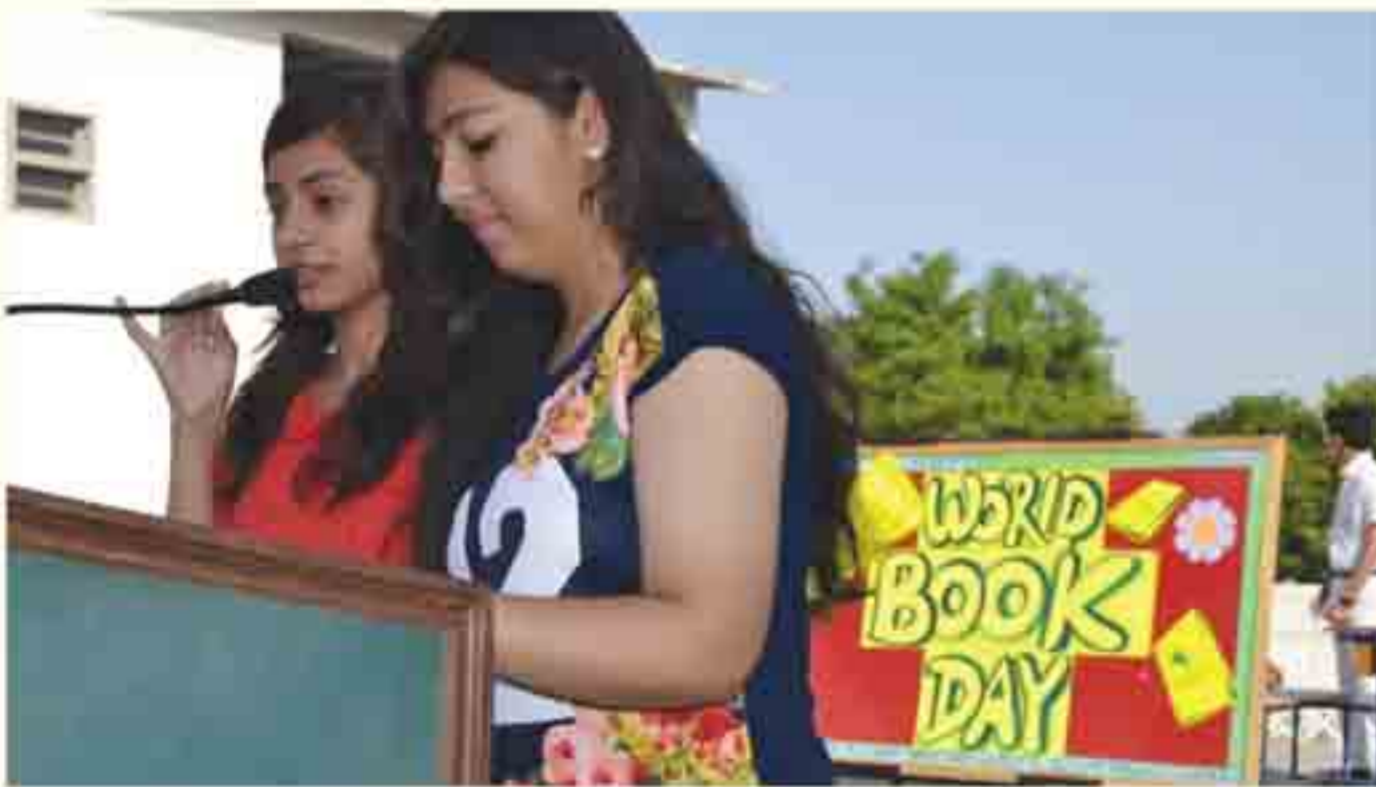

## House Meet

At DPS-Bopal, the house system is built around the idea of imparting students with values of teamwork and integrity. To introduce the students to their respective houses and its members, the first House Meeting for Classes 6-12 was held on 16 April and for Classes 3 to 5 on 21 April. The members of each house assembled and interacted with their teachers and House Wardens, who motivated them to play active roles in their duties towards the house. Interviews for the Student's Council were held for the new session.

## Evacuation Drill

An evacuation mock drill was conducted on 22 April 2016 for the entire school. As the long whistles were blown, students started vacating the building and assembled at their allocated places. All the buildings were safely evacuated under the supervision of teachers and support staff within the stipulated time.

## Celebrating Man's Best Friend

“Whenever you read a good book, somewhere in the world a door opens to allow in more light.”

DPS-Bopal takes a moment of pride on World Book Day (22 April 2016) to commemorate the birth and death of William Shakespeare, the English poet and playwright, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. A special assembly was presented by the senior school students which commenced with a beautiful symphony by the choir group. They presented a skit and interesting activities to motivate one and all into reading.

The students of Primary Section enjoyed reading books by various authors and participated in associated activities like storytelling, character sketches and summary writing.

In a touching gesture, on this special day the students of classes 1-12 willingly donated their old books.

## STROKES 2016

An Art Exhibition, "Kaleidoscope – the Universe through my Window", presented by DPS-Bopal, at Huthesinh Visual Art Centre, CEPT Campus, Ahmedabad, saw the students from the Pre-Primary and Primary sections displaying their paintings. The exhibition with nearly 300 paintings on display was inaugurated by RJ Devki (93.5 Red FM) in presence of the Principal, staff and students of DPS-Bopal on 25 April 2016. The esteemed guest was spellbound by the creativity of the tiny hands and applauded their artistry.

## Book Lovers' Den

3 students of DPS-Bopal accompanied by the Head of the English Department, visited Ahmedabad National Book Fair to donate books collected on World Book Day. The event was covered by media and was uploaded on Youtube on 7 May 2016. The 'Pustak - Parab' is a Book Fair, organized by *Matrihasha Abhiyaan* which caters to spread love for language and reading.

## Summer Workshop

Workshops were organized for students during the summer break catering to their various passions indulging in diverse fields. Students trained themselves in cricket, basketball, skating and soccer. To take a perfect picture, many joined the Photography Workshop. Making robots is not an easy task but it certainly seemed easy at the Robotics Workshop. Budding authors and poets could enhance their writing skills by attending the language workshop 'Xpress Yourself'. Oil Painting and Craft Workshop helped to unleash the creativity of the students through varied ideas.

## Medical Camp at DPS-Bopal

DPS-Bopal organized a medical camp on 9 and 10 June 2016. The staff got an opportunity to check their B.M.D (Bone Mineral Density), B.P & Random Blood Sugar (RBS) levels. Physicians, a nutritionist and a dentist guided them towards a better health condition.

## A child's first hero!

To highlight this unique bond between a father and a child, DPS-Bopal asked the students to click picture with their dads and write a message on this special bond. An album titled 'Daddy Cool' was created on the official facebook page.

Kalorex Perna celebrated Fathers' Day on 18 June 2016, the celebrations commenced with a prayer and a song. Head Perna Ms. Sangeeta Hinduja gave a heartwarming speech to reach out to make the fathers feel special. It was followed by warm up exercises & tug of war between the fathers & children. A game was specially set up for the father-child duo; with a rapid fire round of questions lined up on how well they know each other. The enthusiasm was electrifying!

## DPS-Bopal spreads awareness on Child Labour Day

'Don't ask children to pick up tools, instead send them to School.' DPS-Bopal, in a bid to sensitize students to this alarming issue observed 'Child Labour Day' from 13-17 June 2016. A facebook campaign was initiated with posts to communicate different aspects of this issue. Students participated enthusiastically in a poster making competition and presented PPTs on 'eradicating child labour', highlighting the need for education and better living conditions for the affected children.

## Puppet Show

The new session for Jr. Kg. started on a happy note with lots of activities planned to make the transition easy for kids. A Puppet Show was staged for the children. The kids snuggled up on the mats eagerly to watch the show. A teacher turned into a Puppeteer and narrated a story. The kids thoroughly enjoyed the show.

## Horse Cart Ride

Horse Cart ride is quite a novelty for the kids of the present generation. In order to give them this fun filled experience, Horse Cart ride was organized for the pre-primary students. They thoroughly enjoyed the ride along with their friends.

## Paint Day

Painting is often the first activity children are introduced to. The future Picassos were fascinated with the idea of getting a chance to take colours in their own hands! The kiddos were guided through the process as they painted on the various images drawn on charts. The end result was a school full of joyous children and classrooms full of paintings in a riot of colours!!

## Aqua Fun

Hurray! The Sun is out and it's time to have some Aqua Fun!!

The children of Sr. Kg. & Jr. Kg. challenged the scorching heat by taking a dip in the splash pool. The children kicked off the heat with fun and enjoyment. It was a thrilling experience for them with water, laughs, relaxation and happiness at the pool.

## VOW - Vistor of the Week

DPS-Bopalendeavours to ignite young minds by organizing interactive sessions with renowned professionals from diverse fields. This is an attempt to bring the world in all its magnanimity to the young aspirants, keeping with the promise to build global learners. The visitors bring along their experiences and carry back an insight from the minds of prospective magnets of the next generation. This also ensures that the school connects with the society and various avenues open up towards a holistic development of the students.

## Basketball Open

DPS-Bopal Boys Basketball team won the Runner up trophy in Zone 5 Inter DPS Boys Basketball Open tournament held at DPS Nacharam, Hyderabad. The team was selected for the Nationals to be held at DPS Bulandshaher.

## Emerging Martial Artists

Bhanubatra of class 8-I achieved the Gold medal in the All Gujarat State Level Karate Championship held at Sanskardham School, Godhavi, Ahmedabad on 24 April 2016.

Tejus Raghavendra of class 8 A achieved the Silver medal in the All Gujarat State Level Karate Championship held at Sanskardham School, Godhavi, Ahmedabad on 24 April 2016.

## The future of Indian Cricket

Neel Jadhav of Class 11 D scored more than 250 runs against Maharashtra, Tamil Nadu and Punjab which include two half-centuries. His batting was very consistent and praiseworthy. He was selected in the first year from Gujarat making it into the Zonal team.

Neel is selected alongside Sachin Tendulkar's son Arjun Tendulkar. Both will be representing the west zone team.

## Pistol Shooting

Samyak Shah participated in the National Pistol Shooting Championship held in Aurangabad and won the silver medal.

## Cultural Awareness

In an attempt to sensitize youth towards the art, craft and culture of our country, students of DPS-Bopal get opportunities to attend SPIC-MACAY seminars across the country. This practice is prevalent for the past 5 years. This year the students from classes 8-12 attended the 4th International SPIC-MACAY, held at IIT Guwahati guided by the heads of the Art & Craft and Dance & Music Department. They had an enriching experience.

## NASA Beckons....

21 students of Classes 7-11 flew off to NASA on an educational trip from 11 June - 24 June, accompanied by the Vice Principal, Ms. Neera Pandey. The trip covered New York, Washington, Niagara Falls and Orlando.

A tour of New York City left treasured memories of the Statue of Liberty & New York Skyline, Rockefeller Center, Wall Street, Ground Zero and Times Square. In Washington, children visited White House, Lincoln Memorial, Capitol Building, Smithsonian Air and Space Museum, and Pentagon building.

At Hershey's Chocolate factory, children had a joy ride and carried back bag full of chocolates. A boat ride to the thundering Niagara Falls, exciting rides at Universal studios and the dream world of Disney Land was an amazing experience. Students carried back cherished memories of their visit to Kennedy Space Center and Astronaut Hall of Fame.

## Educational Trip

DPS-Bopal organized an educational trip for Class 7, to Lokayatan and Balayatan Museum at Shreyas Foundation on 18 June 2016. The main objective of this trip was to enable students to develop love for their culture, heritage and community at Lokayatan. Folk Museum contains objects of crafts, utensils, domestic items, costumes and ceremonial objects from different communities and tribes in Gujarat.

# Counseling and Internship Sessions

## Parent Orientation

The academic year 2016-17 showcases new paths to explore and abundant goals to achieve. DPS-Bopal conducted orientation programmes for the parents of Pre-Primary to Class 11 to give a glimpse of the school's philosophy and approach towards the holistic development of a child. An academic year functions with the collaborative efforts of the parents and the school. Important information related to the term's curriculum, its goals and methodologies, points related to weekly tests, projects, assessments as well as flip learning were shared with parents.

## Career Counselling: Showing the way!

A session for the students of Class 12 was organized on 22 April 2016. The base line of the workshop was to help the prospective generation to understand the concept of various competitive examinations for specialized professional streams and admission to higher learning institutions.

On 2 May, Mr. Daniel Urbina McCarthy, Assistant Director of Admissions from John Hopkins University conducted an interactive session with the students of Class 12.

A Career Guidance session for the students of Class 10 was organized on 13 April 2016. It was conducted by Ms. Iti Shukla, a well-known Psychologist, who spoke about broad categories available to choose from and also laid emphasis on the various vocational courses available. She shared her opinion on the importance of personality development along with academic performance.

## Internship

**Budding doctors!** An internship program for students aspiring to become doctors was held from 9 - 12 May 2016 at the Global Hospital. It was a very informative and interesting experience where interns learnt about the different aspects of the term medicine and the medical field.

The students observed different emergency situations in the hospital alongside various apparatus and machines like the ventilator, defibrillator etc. They also learnt about radiology and visited the ICU and Cath Lab.

**Young Hotel Managers!!** Spirits of class 12 students were on cloud nine when they visited Courtyard Marriott for their internship program. The students visited the Banquets & Restaurants and the various departments and interacted with the authorities to understand the nuances of the hotel industry. The students cherished their interactive session with the Chefs of the hotel.

**Chartered accountants on a roll!** The CA interns were exposed to accounting and auditing in real life situations. They discussed journal entries, role of a Company Secretary and the Accounting standards which India follows. The students departed from the institution with a heart full of gratitude and dreams soaring high.

**World of automobiles:** It was indeed a dream come true for the students of Class 12, who interned at Volkswagen. They were taken into the world of cars followed by a brief demonstration on the various parts of cars in their workshop.

**Interning at a bank:** The students of Class 10 attended an internship program in banking. They had an opportunity to interact with the Vice President of Axis Bank who briefed them about the digitalisation and computerisation in banking.

**Architecture:** Building your way ahead! A 4 day internship programme was organized for the students of Class 12. Interns gathered information on architecture and the role of an architect. Students appreciated the best practices and wide spectrum of knowledge-base of an architect.

**Grab what's new! Journalism:** "What I do, I conceptualize. What I read, I understand. But what I do becomes a part of who I am". A selected few seized an opportunity to learn more about journalism in the media house of 'Hello Gujarat'.

**Human resources:** Dipsites attended a session with the HR department of Airtel. It gave them an insight into HR management and a preview about the behavior of the trade. The perspective of working with accuracy and dedication was discussed with a vision to create a difference in the society.

**Legally bound!** 14 legal aspirants from DPS-Bopal trooped into different law firms to complete an internship programme. The interns received multiple legal insights by interacting on a one-to-one basis with the practitioner. Their perception of the legal world evolved as they were given real time cases to solve, relating to feminism, and the judiciary of India.

**Welcome aboard!** Students keen on taking up jobs in the aviation sector, were taken to the 'Fly Emirates'. There they learnt that the aviation sector is not just about the flying aircrafts but it's also about the environment. Students benefitted from the insights, experience and knowledge of experts.

## Counsellor's Corner

Three 'must dos' for parents of teenagers

**Practise what you preach!** Every child learns the basics from observation. Children are keen observers. The best way to teach a child is to re-learn and make a conscious effort to 'demonstrate' all the things we want them to learn.

**Media and technology: friends or foes?** Technology provides a ready escape from the real world. Do not provide an escape route by focusing all attention on that small palm held device. Like you, he too is missing out on all the wonderful things in the world.

**Care and Compassion:** What is really lacking in this world is care and true compassion for fellow humans and animals. Every child is a bundle of love. He may want to go and tickle that stray dog, or go share his chocolate with that poor kid sitting on the side of the road. And we say, NO! Care and compassion can only be taught by practicing it.

Let us try to train our children to be empathetic and caring from the moment they open their eyes to the world.

Diviya Purohit (Primary School Counsellor)

### *The song my heart's desires*

The dreams that I dream, the song that I hear,  
The darkness that I see, the reality that I fear,  
The love for life that cruises my heart  
And make acceptance of life so hard.  
One day, all my dreams I shall set free,  
No one then shall my master be,  
Neither fear nor luck should be my hindrance,  
Unless I complete my soul's deliverance.  
The stars shall be my footholds,  
The sky my limit, my story yet untold,  
With the mornings, the sun shall tell my tale,  
And I shall bask in satisfaction's vale.  
One day I shall sing my song,  
The tune of which I have hummed so long,  
Till the day my dream transpires,  
I shall hum the song of my heart's desires.  
- Tanisha Gupta 10 I

### *My Class*

My class is III- I,  
It looks bright,  
In our class there are benches to sit and write,  
We display our projects in the class,  
So others can admire it when they pass,  
Our class is big and airy,  
We keep it very neat,  
Our class believes in the strength of unity,  
And that we should not cheat anyone in anyway.  
That is why our class is the best in every sort of way.  
- Kangana Modi 3 I

### *Friend*

Oh my friend!!!  
Oh my dear friend!!!  
A wonderful gift of God you are!  
It's like having my own luxury car.  
Your friendship is like a diamond,  
Feels like vitamins from cashew and almond.  
We share our food and fun.  
Win and lose in games we run.  
We live our moments of joy.  
We cried to see our broken toy.  
We fight, we laugh, and we play,  
We did a lot of creativity with clay.  
We went for a picnic to the park,  
We frightened people in the dark.  
We went to classes of drawing and dance,  
And proved ourselves at each and every chance!  
We spent lots of time together,  
Learning, fighting, and studying.  
We stand together,  
And take an oath that our friendship will never end.

**પરિણામમાં સૌનો ફાળો છે**  
 માતા માટે પરિણામ આનંદદાયક રહ્યું. તેમાં મારા ટિચર્સ અને પેરેન્ટ્સનો પણ ફાળો છે. તેમણે મને હરપણ આગળ વધવાની પ્રેરણા આપી. મારું ડ્રીમ આઈઆઈટીમાંથી કમ્પ્યુટર એન્જિનિયરિંગ કરવાનું છે. એકઝામના રિઝલ્ટને લઈને મારા કોન્ફિડન્સમાં પણ વધારો થયો છે.

**પરીક્ષાને લાઈટલી જ લીધી**  
 મારું ડ્રીમ હતું કે હું સીએમાં પ્રવેશ લઉં. કેમ કે મારા પપ્પા સીએ છે અને તેઓ મને હંમેશાં આ પ્રોફેશનમાં આગળ વધવાની પ્રેરણા આપતા હતાં. મમ્મી મારી પ્રેરણામૂર્તિ છે. તેવારીની વાત કરું તો તેને મેં કદી સિરિયસ લીધી જ નથી. એટલે જ મને તેનું પોઝિટીવ રિઝલ્ટ મળ્યું છે.

**હવે હું ડોક્ટર બનીશ**  
 મારા આ રિઝલ્ટે મારા સ્વપ્નના દ્વાર ખોલી આપ્યાં છે. મેં જે રીતે મહેનત કરી તેનું આ પરિણામ મળ્યું છે. મારા ટિચર્સ ઉપરાંત પેરેન્ટ્સે મને એકઝામની તૈયારી દરમ્યાન મેન્ટલી સપોર્ટ આપ્યો હતો. હું શરૂઆતથી જ ડોક્ટરના વ્યવસાયને રિસ્પેક્ટ કરું છું અને આ ફીલ્ડમાં જ જવા માગું છું.

**જર્નાલિઝમ કરવું છે**  
 મને શરૂઆતથી જ એક્સાઈટિંગ ફિલ્ડ જર્નાલિઝમ ગમે છે. મારા પેરેન્ટ્સ પણ મને મારા ગમતાં ફિલ્ડમાં પ્રવેશને લઈને ઉત્સાહિત છે. શરૂઆતમાં નોર્મલ તૈયારી પછી અંતમાં સહેજે 6-7 કલાકનું રીડિંગથી રિઝલ્ટ પર પોઝિટીવ અસર પડી છે.

**આઈઆઈટી હવે ઈઝી બનશે**  
 મને શરૂઆતથી જ હતું કે હું આઈઆઈટીમાં પ્રવેશ મેળવું. ધો. 12માં શરૂઆતથી જ મેં પ્લાનિંગ સાથે મહેનત કરવાનું શરૂ કરી દીધું હતું. જો કે આ સાથે હું મનોરંજન પણ એટલું જ કરતો હતો. આજે હવે મને આ સફરસેસ મળી છે ત્યારે હું મારા પેરેન્ટ્સ સહિત ટિચર્સનો પણ આભારી છું.
