

DELHI PUBLIC SCHOOL-BOPAL, AHMEDABAD

Mobile App - Installation Guide

Install our school mobile App “**Digital School**” by searching it on Google Play Store for Android App or App Store for iPhone App.

You can also install it from the link given below:

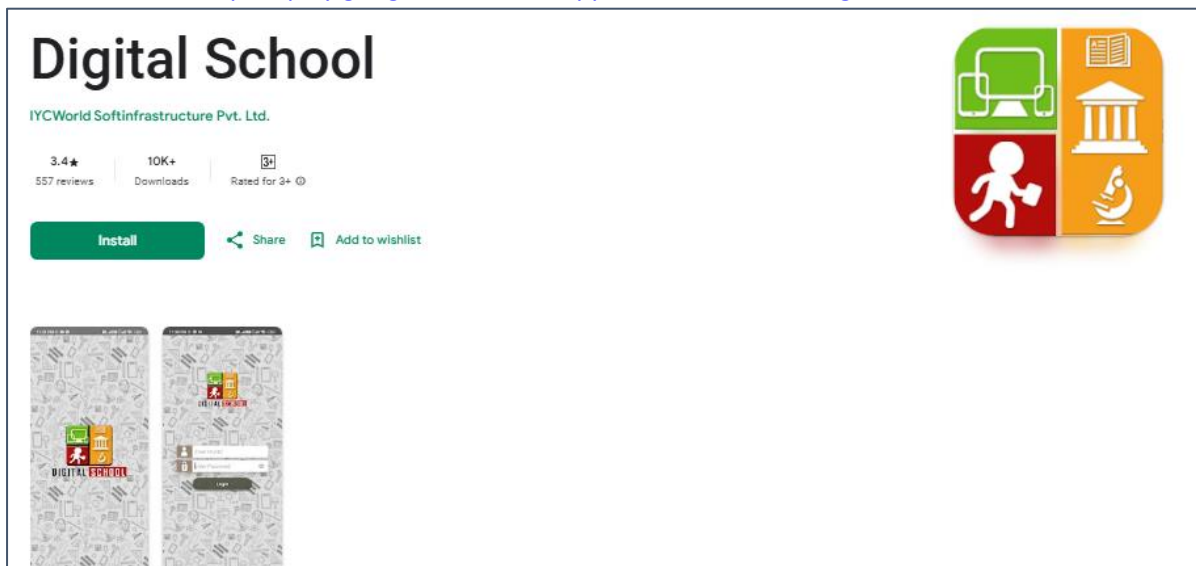

- **Link for iPhone App:**

<https://itunes.apple.com/in/app/digital-school/id953446658?mt=8>

- **Link for Android App:**

<https://play.google.com/store/apps/details?id=com.digitalschool>

Mobile App - Login Process

- Install & open “Digital School” App in your smart phone
- User needs to enter Parent Portal Login ID followed by @dpsbop in username box as shown in the figure 1.
- Enter Parent Portal Login Password in password box as shown in the figure 1.

For example:

*The Parent Portal Login ID is **P908978** and parent password is **hiCx8912** then user needs to enter username as **P908978@dpsbop** and password as **hiCx8912***

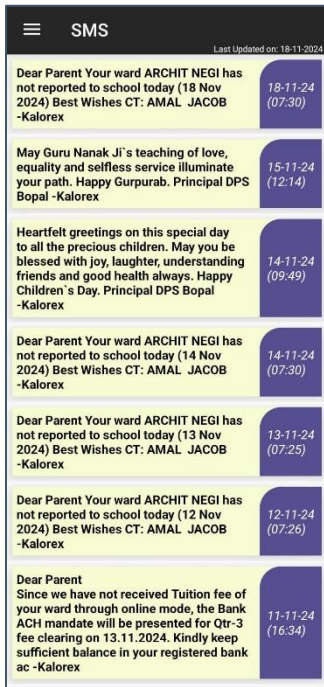

- Click on Login button to proceed the login process.
