## Shaping Glocal learners

DPS-Bopal functions under the aegis of the DPS Society. The DPS Society is a non-profit, non-proprietary, private, educational body widely recognized for its selfless and unstinting commitment to excellence in education. This Global Network of over 200 English medium, co-educational, secular schools provides education from Pre-Nursery/Nursery to Class XII. The DPS Family – with its transcontinental identity is a network of values, systems, and relationships.

DPS Bopal is promoted by the Kalorex Group which is a Non Profit organization registered under the Indian Trust Act. Incepted in 1995, the Kalorex Group is an autonomous institution catering to the learning needs of students from all economic groups with its primary focus on K-12 educational activities. Designed under the distinctive vision of being the first choice for all possible target groups, Kalorex is a name synonymous with quality education. With the mission of achieving excellence in K-12 education through a sound vision, innovation and professionalism, the organization has grown remarkably over the years.

With an avowed purpose of imparting quality education aimed at the holistic development of its students, DPS-Bopal has made an indelible mark on the scene of education in terms of academic and co-curricular activities.

**Our Motto:** Service Before Self

**Mission:** DPS-Bopal, Ahmedabad is committed to provide education that helps to develop children into balanced personalities, with sound values of love, kindness, devotion and service before self.

**Vision:** 'Lead, Care and Inspire...To bring out the best in each and every child.'

**Philosophy Statement:** Each and every Dipsite will grow up to be a well-balanced personality with internal and external values carrying forward the vision of the school. They will learn to respect, accept and embrace the differences across varied cultures. They will develop their potential by believing in themselves as capable individuals. They will learn to create, to lead, to love and live life fully.

**Kalorex Vision:** 'Shaping Glocal Learners' with commitment to provide a safe & stimulating environment, to prepare competent, compassionate and creative thinkers in this rapidly changing world.

## Diverse Learning

At Delhi Public School–Bopal, Ahmedabad, learning is student-centred, supported by the Kalorex Taxonomy and guided by the belief that teaching is complete only when real learning takes place. Teachers act as facilitators, making classrooms engaging, interactive, and future-ready. The school employs a wide range of innovative pedagogical practices in alignment with CBSE guidelines and NEP 2020. These include the Flipped Classroom, Reciprocal Teaching, De Bono’s Six Thinking Hats, Design Thinking, Experiential Learning, Project-Based Learning, Blended Learning, and Art-Integrated Learning. Strategies such as collaborative learning, peer tutoring, role play, storytelling, interdisciplinary instruction, and ICT-enabled methodologies further enhance comprehension and creativity. Through these approaches, students acquire essential 21st-century skills—critical thinking, communication, collaboration, creativity, and problem-solving—while cultivating empathy, integrity, and global citizenship.

SMART classes add a new dimension by making lessons interactive, dynamic, and inclusive. With access to vast online resources, students can learn at their own pace and explore concepts in greater depth. Lessons designed around multiple intelligences, incorporating songs, skits, poems, and talk shows, make learning lively, creative, and memorable.

By weaving together diverse pedagogical innovations and technology-driven practices, DPS–Bopal ensures holistic development, preparing students to thrive in a rapidly evolving world.

Prerna centre for Special Education is a part of DPS-Bopal for students with special education needs. The school aims at differentiated as well as inclusive education catering to the need of 'Each & Every'

We also offer **three streams-Commerce, Humanities, Science with a total of 19 subjects.** Ultra-modern teaching aids—multimedia, smart boards, innovative activities, NEP 2020, STEM and STEAM, Design Thinking, Competency Based Learning, VUCA (Volatile, Uncertain, Complex and Ambiguous) World and Pragmatic and Pedagogical Approach are some resources the school utilizes. Lesson plans that include 'Learning Experiences' (based on our proprietary 'Multiple Learning Experiences' framework), such as activities, worksheets, multimedia, games and simulations, and animations are designed to promote critical and creative thinking.

## Quick Facts

**Target Academic Mentoring** is a school-led initiative designed to guide and support students who could not meet the required benchmarks in the annual examination or advanced with grace marks. This plan aims to provide consistent academic guidance throughout the year, fostering confidence and clarity in learning, while empowering students to strengthen their foundations and progress successfully in their academic journey.

**Enhancement Classes** - DPS–Bopal equips students for success in competitive exams like JEE, CLAT, and IPMAT through specialised enhancement classes. These sessions go beyond academics, building critical skills and strategies that prepare learners to excel with confidence.

**Personalised Learning Programme-** Need-based support is offered through personalised learning programmes, ensuring every student receives focused guidance to achieve their fullest potential.

Every child is given an opportunity to excel, and carrying this philosophy forward, we offer a myriad of avenues to each child to develop, discover and nurture his/her talents. Avenues of leadership are open to senior school students through the positions of Head Boy, Head Girl, Prefects of different Houses and Directors of Clubs. The school has specialized coaching for Athletics, Basketball, Cricket, Football, Handball, Volleyball, Skating and Judo.

## Infrastructure - Smart Spaces...

The school is deeply committed to maintaining a cheerful, safe and secure environment, so that each Dipsite truly begins to consider the school as a 'second home'.

We are a Green School with an objective to instil the value of responsibility and duty towards Mother Earth. We encourage sustainable practices, rain water harvesting and using solar power.

Students of DPS Bopal are regularly taken to KFTL for visits and hands-on learning experiences, enabling them to explore and apply futuristic technologies.

Mental health is essential for leading a happy life and it is as essential as physical health. It helps us to live our lives by encompassing our emotional, psychological, and sociological well-being. Normalizing the conversation about mental health empowers people to talk and get the guidance they need.

**The Counselling Cell** under qualified and experienced counsellors, aims at strengthening the child's wellbeing. We at DPS-Bopal aid the students to counter stress, overcome complex situations and challenges of adolescence. The students can walk up to the counsellor for a heart-to-heart talk and this has proved very helpful.

**Personalized Counselling:** The Counsellor, available on all school days to help students from all grades when referred to by teachers or parents. This one-to-one interaction between the student and counsellor helps in improving confidence, resolving adjustment issues and finding the best solution. The counselling team not only helps the students but also guides and supports parents to equip them to take care of their children.

**Group Counselling and Life Skills:** Equipping children with life skills is one of the most essential tasks. Programmes, Seminars, Webinars and Group Discussions are held on sensitive issues like Peer Pressure, Substance Abuse, Bullying, Gender Equality to create a strong awareness among the pupils. Group counselling helps in gaining multiple perspectives around an issue and improves communication skills.

Ishani Debnath with Mr. Himanshu Gupta, Chairman of CBSE

I am Yugantara Krishnamoorthi, an alumna of DPS 2018 Batch. After completing school, I pursued law; B.Com.LLB and I am currently working as an Associate with the Corporate Litigation Team at Fox Mandal & Associates, Chennai. My work involves handling complex corporate disputes including arbitration, insolvency matters and advising clients on litigation strategy along with attending Court. I spent 14 enriching years at Delhi Public School, from 2004 to 2018. The school played a foundational role in shaping my personality, confidence and aspirations.

I am G Anjanalakshmi, an alumna of batch 2016. Studying at DPS Bopal was a transformative and enriching journey. It was here that I shaped my passion for social sciences - not just as subjects, but as lenses through which to understand the world. The teachers didn't just teach; they mentored, challenged, and inspired me. I'm still in touch with some of them and their guidance continues to shape my academic and professional journey. DPS Bopal gave me a foundation, a nurturing environment and a lifelong love for learning. I'm deeply grateful to the school and to the wonderful teachers who lit the spark and kept it burning - it made all the difference.

I am Dr. Sakshi Maheshwari, an alumna of batch 2014 Consultant Orthopaedic Surgeon at BJ Medical College, Civil Hospital, Ahmedabad. My journey began at Delhi Public School, Bopal, where I studied from Junior KG to Class 12. Those 14 years shaped my academic foundation, character, values, and ambitions. At DPS, I was encouraged to explore beyond academics—participating in cultural events, debates, sports, and serving in the Student Council. These experiences honed my leadership, public speaking, time management, and problem-solving skills—qualities that proved invaluable during the demanding years of medical school and residency. Discipline, perseverance, and teamwork were ingrained in me through both academics and sports. The resilience I developed in school helped me face sleepless nights, emergencies, and the pressures of my profession with composure. Equally important were the friendships and bonds I formed, and the teachers who believed in me and continue to inspire me today. DPS gave me more than knowledge—it gave me the courage to dream big, the discipline to work hard, and the confidence to face any challenge. I carry that spirit with me in every step of my journey. I'm very grateful.
