"One Sapling, One Greener Future!"

Delhi Public School-Bopal, Ahmedabad celebrated World Environment Day on June 5, showing a strong commitment towards environmental sustainability. To mark this important occasion, the school organised a meaningful plantation drive under the theme "One Sapling, One Family, One Greener Future!" The initiative aimed to encourage students and their families to contribute towards a greener and healthier planet through simple yet impactful actions.

Students actively participated in the activity by planting saplings along with their parents in balconies, terrace gardens, society gardens, and community spaces. The event emphasised that environmental conservation begins at home and that every individual can play a significant role in protecting nature. Each family took a pledge to nurture and care for their sapling, reinforcing the message that planting a tree is only the first step; its growth and survival also matter.

The plantation drive served as an excellent platform for students to understand the importance of trees in maintaining ecological balance, improving air quality, conserving biodiversity, and combating climate change. Through this hands-on experience, students developed a deeper appreciation for nature and recognised their responsibility as future custo-

dians of the environment.

The participation of students and parents reflected their dedication towards creating a sustainable future. The initiative strengthened environmental awareness and fostered a sense of collective responsibility and community involvement.

World Environment Day was a reminder that small actions, when undertaken with commitment and consistency, can lead to significant positive change. As the young eco-warriors continue to nurture their saplings, they are also nurturing hope for a greener, cleaner, and more sustainable tomorrow.

Turning Pages, Building Futures

Delhi Public School-Bopal, Ahmedabad celebrated National Reading Day on June 19, 2026 with great enthusiasm, reaffirming its commitment to nurturing a vibrant reading culture among students and staff.

The celebration began with a reading pledge, encouraging students to make reading an integral part of their daily lives. Engaging book discussion sessions provided a platform for young readers to share their thoughts, exchange recommendations, and explore the works of new authors.

One of the highlights of the day was Reading in Nature, where students enjoyed books amid the tranquil surroundings of the school campus, experiencing the joy of reading in a refreshing outdoor setting.

Primary school students participated wholeheartedly in a range of creative activities. During the Buddy Reading Session, they paired up to read and share stories together. The World of Words activity helped them enrich their vocabulary as they discovered and displayed new words on colourful sticky notes. Through the book of my heart activity, students shared their favourite book titles and added them to the Reading Tree, celebrating their love for books and storytelling. Adding to the spirit of the occasion, the school's support staff also dedicated time to reading and participated actively in the celebrations, reinforcing the belief that learning is a lifelong journey and that reading remains one of its most powerful tools.

The day concluded on a meaningful note, inspiring the entire DPS-Bopal community to embrace the joy of reading, broaden their horizons, and continue building futures—one page at a time.

Delhi Public School-Bopal, Ahmedabad celebrated the 12th International Day of Yoga on June 21 with great enthusiasm and a shared commitment towards holistic well-being. The celebration brought together students and staff members across Junior and Senior School, reinforcing the significance of yoga as a way of life that promotes physical fitness, mental well-being, and spiritual growth.

The programme commenced with a collective yoga session, during which participants performed a series of Yogasanas and Pranayama exercises under expert guidance. Students actively engaged

in various postures and breathing techniques designed to enhance flexibility, strength, concentration, and emotional balance. The session highlighted the importance of integrating yoga into daily routines to cultivate discipline, mindfulness, and a healthy lifestyle.

Speaking on the occasion, Vandna Joshi, director, DPS-Bopal, said, "Yoga is not merely a form of physical exercise; it is a holistic discipline that nurtures the body, calms the mind, and strengthens the spirit. In today's fast-paced world, practising yoga regularly helps individuals develop resilience, improve concentration, manage stress, and lead healthier, more balanced lives. The celebration concluded with a renewed pledge by students and staff to incorporate yoga into their daily lives and work towards building a healthier, happier, and more mindful society."
